Lutheran Social Services of Central Ohio  
2010 Annual Report

## Our Mission

*“Creating a Better World by Serving People in Need”*

## Our Vision

Believing that God desires peace and wholeness for all creation, it is the vision of Lutheran Social Services of Central Ohio (LSS) to establish a new reality, where:

- *All people are valued as children of God;*
- *Families and communities are gardens of peace and well-being;*
- *Sharing abounds in the face of need, and;*
- *Respect, compassion and love overcome hatred, fear and loneliness.*

Joining with other people of good will, we embody this vision whenever and wherever possible.

Dear Friends,

*“Change is inevitable. Change is constant.”* Benjamin Disraeli

This was another year full of changes for Lutheran Social Services. Change -for the better or the worse- is inevitable in our rapidly changing world. But one thing that does not change is the fact that we will always have those who need safe shelter, food, healing and hope in our community. Our job at LSS is to make sure we meet those needs as best as we are able.

Sometimes change can be the catalyst to create new programs or expand existing ones to better meet the needs of the community. We would like to share just a few of the many program changes that took place during this past fiscal year.

The LSS Mobile Food Pantry added two stops to its route in Pomeroy and Franklin Furnace, thereby serving more people isolated in rural areas. Additionally, Faith Mission was selected by the Community Shelter Board as the central point of access for homeless adults entering the Columbus shelter system. In Ashland, our Northern Ohio Ministries program dramatically increased the number of people it serves by introducing several programs dedicated to combating hunger and working directly with families to improve their lives. LSS has also expanded our Ohio Benefit Bank services and now connects more people to the public benefits and tax credits they are eligible for at multiple locations throughout our service area.

These are just a few of the developments we’ve celebrated this year. None of these would be possible without the support of our donors, volunteers and dedicated staff. With all the changes LSS has gone through in the last few years, we remain strong and continue to help an ever growing number of people in need transform their lives. Thank you for your continued generosity, even in times of change.

God Bless,

Nels Hendrickson  
Interim CEO

Bob Slaven  
Chair, LSS Board of Directors

# HUNGER

## *Eliminating Hunger*

*Lori moved from Willard, Ohio to Portsmouth in hopes of making a better life for herself and her children. Little did she know jobs would be just as hard to come by in the new town. While trying to take care of her family and attending school online, Lori struggled to make ends meet. When both her plate and her heart were empty, she turned to the LSS Mobile Food Pantry. There, she found people willing to help fill her pantry and give her hope. No longer having to worry about where she would get food to feed her two children, Lori is now able to focus on her schoolwork. After being sober for more than five years, Lori is earning her degree in psychology and wants to become a substance abuse counselor so she may help others who struggle as she has in the past.*

The LSS Food Pantries served nearly 1.9 million meals in Fiscal Year 2010. Faith Mission's kitchens served 279,237 meals.

# HOUSING

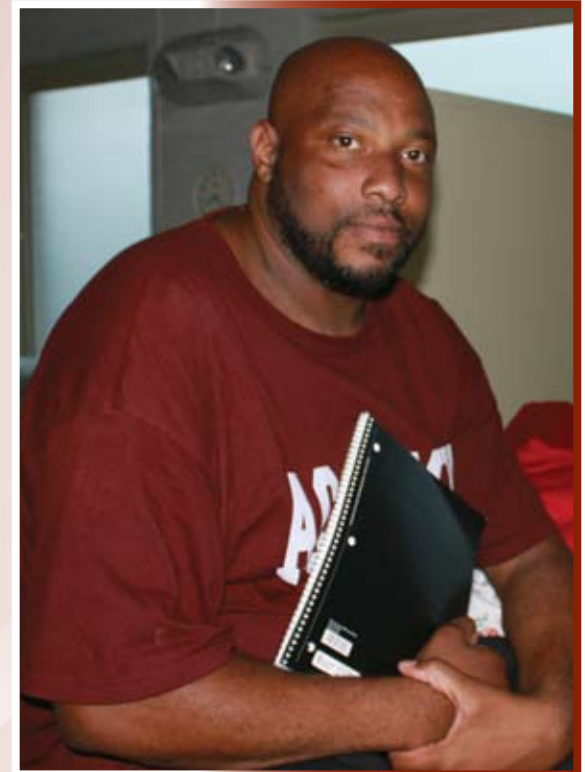

2010 LSS ANNUAL REPORT

## Providing Housing

*After being released from prison with a long arrest record, Clint found himself at a Faith Mission homeless shelter. He was determined to begin a new life by going back to school and finding a job and a place to live. With the help of his Faith Mission case manager, he was soon able to find an apartment in downtown Columbus and is now a 4.0 student at Columbus State Community College, where he is working toward an associate's degree. Wanting to encourage other men who are going through the same difficulties he did, Clint visits prisons with ministry teams. He also writes and distributes a monthly newsletter for homeless and incarcerated men in hopes of helping them to find hope and embrace change.*

In Fiscal Year 2010, LSS' affordable housing communities provided apartments to 984 low-income seniors. Faith Mission helped 2,997 women and men transform their lives.

# HEALING

## *Promoting Healing*

*Cody was in a severe car accident where he was ejected from the car and then run over by the vehicle. Suffering from multiple injuries including a shattered pelvis, broken hip bone, ruptured pelvis and head trauma, the 18-year-old came to The Good Shepherd Rehabilitation and Healthcare Campus after being discharged from the hospital. Doctors believed he might never walk again or at least not without assistance, but a month after arriving, Cody walked out of The Good Shepherd on his own. He credits part of his remarkable recovery to the caring staff at The Good Shepherd, especially his physical therapist, who supported him throughout the ordeal.*

4,578 people received care at The Clinic at Faith Mission in Fiscal Year 2010. Lutheran Village of Ashland and The Good Shepherd provided 58,068 days of care.

# HOPE

## Inspiring Hope

*In May of 2010, Lawrence County saw tremendous amounts of rain, causing widespread flooding. Brenda and her family had five feet of water wash through their home in the middle of the night. Left with no place to sleep, prepare meals or live, Brenda didn't know where to turn. Through partnerships with Lutheran churches around the state, Lutheran Social Services came to the aid of many people in the community, including Brenda. Volunteers removed damaged flooring and helped rebuild her home. LSS also provided Brenda's family, and many others just like hers, with new furniture, food, clothing and other necessities she and her children needed to rebuild their lives and their home in rural southeast Ohio.*

At the Faith Mission Resource Center, 1,551 residents received help with finding employment and housing in Fiscal Year 2010. Through LSS' Outreach Ministries and Disaster Response programs, 179 homes were rebuilt or renovated.

## Program Descriptions

### **Affordable Housing**

We provide 19 affordable housing communities throughout Ohio to serve the needs of people who meet income, age or disability requirements. These communities provide residents with dignity, safety and a caring environment. Many of our sites have service coordinators available to link residents with services that allow them to maintain their independence.

### **Disaster Response**

Acting as the statewide coordinating body for Lutheran Disaster Response, our staff and volunteers serve people affected by natural disasters. Trained responders provide material and emotional support, debris removal, case management and referral to other emergency assistance programs.

### **Food Pantries**

LSS' four food pantries and one mobile pantry serve the needs of thousands of people year-round. Hungry families and individuals receive food as well as health care screenings, back-to-school supplies and other services.

### **Housing Services**

Housing services for formerly homeless individuals in Columbus and Fairfield County offer long-term solutions for housing and employment. Case managers work with clients to increase their employment and income opportunities.

### **Northern Ohio Ministries**

Northern Ohio Ministries addresses the needs of people in northern Ohio by providing case management services, food and material as well as financial support. Four transitional houses, along with a resource center providing services such as goal setting and planning, are utilized to assist families in moving from homelessness to self-sufficiency. Emergency food assistance is also available through various programs, including monthly food distributions and a hot meal program.

### **Ohio Benefit Bank**

The Ohio Benefit Bank is an internet-based income enhancement program that connects people to public benefits and tax credits for which they qualify. By maximizing these, the program can increase the available cash on hand and strengthen the ability for people to move toward self-sufficiency and stability.

### **Outreach Ministries**

Outreach Ministries serves communities by offering spiritual, material and financial support. Distribution of material goods, case management and dental health programs all serve to enhance the lives of those in need.

### **Senior Services**

#### *Independent Living Facility*

Kensington Place offers elegant apartments and gracious amenities for older adults who wish to remain an active and independent part of a thriving community.

#### *Assisted Living Care*

Lutheran Village of Ashland allows residents to enjoy the lifestyle benefits of independent living with a special emphasis on the changing needs of each individual. Our personal care services focus on the preservation of independence and quality of life.

#### *Skilled Nursing and Rehabilitative Care*

At The Good Shepherd people are not only cared for, they are cared about. Our primary objective is to help patients achieve their highest level of function and independence while receiving the finest in nursing and rehabilitative care.

### **Shelters**

Homeless men and women can find shelter, food and free health care at three Columbus-area shelters and one in Fairfield County. Clients also receive assistance with housing, employment and counseling, allowing them to start the process of rebuilding their lives.

### **Social Enterprise**

The social enterprise initiative equips shelter residents with tools to live more independent and satisfying lives. Clients are hired and trained to work for LSS-operated businesses, ultimately learning new job skills that will assist them as they become self-sufficient.

## Planned Giving

Cheryl and her family haven't always had it easy. Growing up during the Depression, her parents didn't have much and their families often had trouble making ends meet. After they married, Cheryl's parents did their best to support their children and instill in them strong values, including the importance of helping others. They never forgot their humble roots and raised Cheryl to always be thankful for what she has in life.

"I'm so proud of the things my parents taught me," said Cheryl. "I value them highly."

When Joanne, Cheryl's mother, passed away last August, she designated a significant portion of her estate to Faith Mission, a member of the Lutheran Social Service family. Joanne volunteered at Faith Mission a few times and knew how much assistance was provided to hungry, homeless and hurting people. She also knew how much her monetary support would help.

"We are part of the community, we don't live a vacuum," Cheryl stresses. "Things come and go, so give to something worthwhile. We appreciate the wide variety of services available at LSS and we knew the money would be spent in the right way."

Like Joanne, many donors have expressed interest in ensuring that LSS will be able to continue to serve people in need long into the future. Those interested can help by becoming a member of the Heritage Society. Heritage Society members are LSS supporters who have included the agency in their wills, charitable trusts or annuities, life insurance policies or other estate plans. A planned gift can earn fixed income for you as well. For more information, call us at 614-228-5200 or visit our planned giving website at [www.lssplannedgift.org](http://www.lssplannedgift.org).

**As we have said in the past and will continue to say in the future, we at LSS cannot help the people we do without you. Thank you for partnering with us to create a better world by serving people in need.**
