

# 2011 Annual Report

## Our Mission

*“Creating a Better World by Serving People in Need”*

## Our Vision

Believing that God desires peace and wholeness for all creation, it is the vision of Lutheran Social Services of Central Ohio (LSS) to establish a new reality, where:

- All people are valued as children of God;
- Families and communities are gardens of peace and well-being;
- Sharing abounds in the face of need, and;
- Respect, compassion and love overcome hatred, fear and loneliness.

Joining with other people of good will, we embody this vision whenever and wherever possible.

Dear Friends,

What a blessing it is to be able to write to you! Since coming onboard in February, I have been constantly impressed and humbled with the dedication and heart for service of our donors, volunteers and staff members. I know it has been said before and will be said again, but we at LSS truly could not serve as the Lord's instrument by serving people in need without you.

As we seek to provide the very best service to all of God's children, we celebrate both the number of people we are able to assist and also the quality of the support we are able to provide. In addition to providing a meal, shelter or material assistance, we attempt to connect people with other supportive services and also get to the root of their problem, whether it's mental health issues, a lack of an education or simply poor budgeting skills. At our assisted living and rehabilitative care facilities, we provide patients with all the treatment they need to get well and the support they need to care for themselves after returning home. These are just some of the examples of how we help the whole person and not just the immediate problem.

Thank you for your continued support throughout the past fiscal year. This agency is strong and will continue to grow and serve as an instrument of the Lord. I hope you take part in the celebration of our joint mission of service and know that all the successes of this past year, both big and small, are meaningful.

With thanks,

The Rev. Larry A. Crowell  
President and CEO

# HUNGER

**S**amantha is the mother of five daughters. Her husband had a full time job, until health problems left him on indefinite unpaid medical leave. Samantha has been working temp agency jobs, but doesn't earn enough to pay for their home. The family was forced to foreclose and still doesn't make enough to cover the cost of medical bills, utilities, other living expenses and food. The LSS Food Pantries have been a wonderful safety net for this struggling family of seven. Samantha says that without the pantry, she would be unable to feed her family and they would all go hungry.

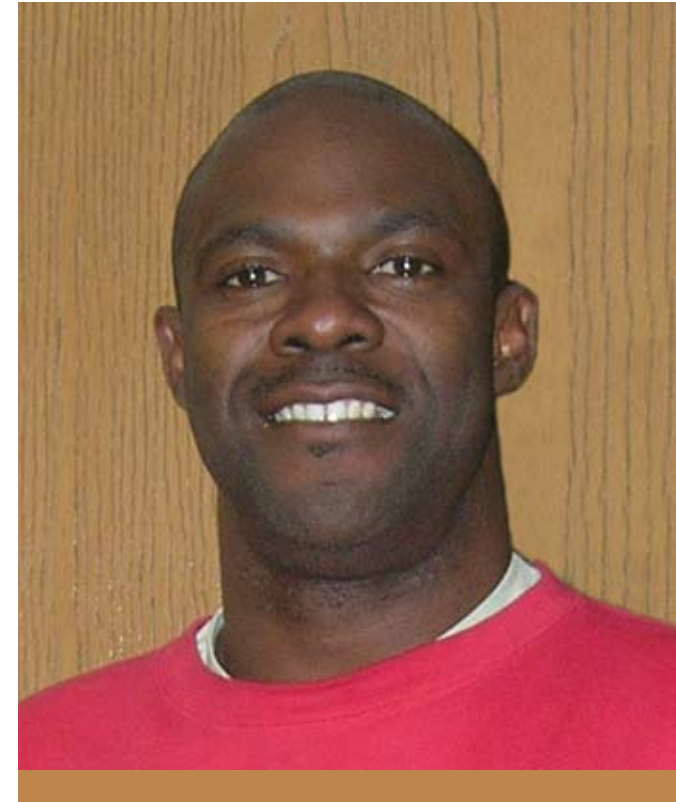

## Fast Facts

The LSS Food Pantries served 1,989,603 meals in Fiscal Year 2011.  
Faith Mission's kitchens served 326,294 meals.

# HOUSING

**S**teven has faced many obstacles in his short 30 years. As a felon who suffers from mental health issues, he had to find a job and readjust to life outside the prison walls. That’s when Steven came to Faith Mission. A case manager linked him to a mental health services provider, and now Steven is actively participating in treatment. With the help of Faith Mission staff, he also found part time employment and a place to live through a program that provides housing for people with disabilities. Overjoyed with his success, Steven recently stopped by Faith Mission to thank the staff for all their support and assistance in helping him get his life back on track.

## Fast Facts

In Fiscal Year 2011, Faith Housing of Fairfield County provided housing and caring support to 725 families and individuals. Faith Mission helped 3,417 women and men transform their lives.

# HEALING

**K**arl, 58, suffered a severe stroke and wasn't found in his house for two long days. After being released from the hospital, Karl came to The Good Shepherd for rehabilitative care. At first, he couldn't speak clearly, walk or stand, or use his right hand to perform daily activities such as combing his hair, brushing his teeth or writing. With the help of The Good Shepherd staff, Karl has made significant progress and now can speak clearly and hold a conversation, and stand and walk on his own. He credits his success to the supportive staff who have helped him remain positive and looks forward to returning to his home soon.

## **Fast Facts**

4,163 people received care at The Clinic at Faith Mission in Fiscal Year 2011. Lutheran Village of Ashland and The Good Shepherd provided 60,455 days of care.

# HOPE

**T**om and Cindy were preparing for bed when they heard a sound like a train. With no train tracks nearby, they knew they were in trouble. Tom went out on the porch and saw an F-4 tornado bearing down on their home. He was immediately thrown by the wind under their truck while Cindy was swept up with the house. Twelve hours later, she was found in a small space under their kitchen cabinets about a mile from where their home used to stand. After returning from the hospital, Tom and Cindy faced the loss of their house and all their belongings. To top it off, Tom was recently laid off and the couple had cancelled their homeowners insurance because they could not afford it. LSS Disaster Response was there for the couple and assisted in the construction of a new home from the ground up. The new house was also furnished with items from LSS' Vinton County Distribution Center.

## Fast Facts

At the Faith Mission Resource Center, 1,248 residents received help with finding employment and housing in Fiscal Year 2011. LSS' social enterprises provided meaningful employment to 20 shelter residents, and Outreach Ministries assisted 1,279 households.

## Program Descriptions

### Affordable Housing

We provide 19 affordable housing communities throughout Ohio to serve the needs of people who meet income, age or disability requirements. These communities provide residents with dignity, safety and a caring environment. Many of our sites have service coordinators available to link residents with services that allow them to maintain their independence.

### Disaster Response

Acting as the statewide coordinating body for Lutheran Disaster Response, our staff and volunteers serve people affected by natural disasters. Trained responders provide material and emotional support, debris removal, case management and referral to other emergency assistance programs.

### Food Pantries

LSS' four food pantries and one mobile pantry serve the needs of thousands of people year-round. Hungry families and individuals receive food as well as health care screenings, back-to-school supplies and other services.

### Housing Services

Housing services for formerly homeless individuals in Columbus and Fairfield County offer long-term solutions for housing and employment. Case managers work with clients to increase their employment and income opportunities.

### Northern Ohio Ministries

Northern Ohio Ministries addresses the needs of people in northern Ohio by providing case management services, food and material as well as financial support. Four transitional houses, along with a resource center providing services such as goal setting and planning, are utilized to assist families in moving from homelessness to self-sufficiency. Emergency food assistance is also available through various programs, including monthly food distributions and a hot meal program.

### Ohio Benefit Bank

The Ohio Benefit Bank is an internet-based income enhancement program that connects people to public benefits and tax credits for which they qualify. By maximizing these, the program can increase the available cash on hand and strengthen the ability for people to move toward self-sufficiency and stability.

### Outreach Ministries

Outreach Ministries serves communities by offering spiritual, material and financial support. Distribution of material goods, case management and dental health programs all serve to enhance the lives of those in need.

### Health and Senior Care

#### *Independent Living Facility*

Kensington Place offers elegant apartments and gracious amenities for older adults who wish to remain an active and independent part of a thriving community.

#### *Assisted Living Care*

Lutheran Village of Ashland allows residents to enjoy the lifestyle benefits of independent living with a special emphasis on the changing needs of each individual. Our personal care services focus on the preservation of independence and quality of life.

#### *Skilled Nursing and Rehabilitative Care*

At The Good Shepherd people are not only cared for, they are cared about. Our primary objective is to help patients achieve their highest level of function and independence while receiving the finest in nursing and rehabilitative care.

### Shelters

Homeless men and women can find shelter, food and free health care at three Columbus-area shelters and one in Fairfield County. Clients also receive assistance with housing, employment and counseling, allowing them to start the process of rebuilding their lives.

### Social Enterprise

The social enterprise initiative equips shelter residents with tools to live more independent and satisfying lives. Clients are hired and trained to work for LSS-operated businesses, ultimately learning new job skills that will assist them as they become self-sufficient.

*For more information or to volunteer, please call 614-228-5200.*

## Planned Giving

95-year-old Mary Long has been helping out with causes she cares about as long as she can remember. After moving to Ohio in 1977, Mary immediately started to volunteer with LSS and Faith Mission and still is actively involved to this day. When it came time to make her will, Mary decided to designate a portion of her estate to LSS and Faith Mission.

Mary Long

*“Legacies are very important,” said Mary. “I’d like to leave something for the things I care about – to sustain them.”*

Mary, who is a resident of Kensington Place, LSS’ independent living community, finds giving natural. She says that if you’ve made volunteering and donating a priority in your life, the process of leaving an estate gift will bring you joy. “If it’s important in your life then it should be important in your afterlife.”

Like Mary, many donors have expressed interest in ensuring that LSS will be able to continue to serve people in need long into the future. Those interested can help by becoming a member of the Heritage Society. Heritage Society members are LSS supporters who have included the agency in their wills, charitable trusts or annuities, life insurance policies or other estate plans. A planned gift can earn fixed income for you as well. For more information, call us at 614-228-5200 ext. 1530 or visit our planned giving web site at [www.lssplannedgift.org](http://www.lssplannedgift.org).

As we have said in the past and will continue to say in the future, we at LSS cannot help the people we do without you. Thank you for partnering with us to create a better world by serving people in need.
