

SOUPER BOWL SUNDAY February 5, 2012

SOUPER BOWL SUNDAY is an opportunity to help families in our own community who struggle with hunger.

More food will be consumed in the U.S. today than on any other day of the year (including Thanksgiving and Christmas). However, many families in central and southern Ohio struggle with hunger everyday:

- 1.9 million meals were provided to families last year by LSS Food Pantries.
- Last year, 5.2 million pounds of food were distributed by Lutheran Social Services.
- 40% of the meals are eaten by children and 30% are eaten by seniors.
- LSS strives to provide nutritious food in an atmosphere of kindness, dignity and respect.

Every dollar donated today will provide a meal to a hungry person in our community.

If you would prefer to make an in-kind donation, the Food Pantry always needs healthy food, personal care items and baby products.
