

# Do you have men's or women's fine clothing in the back of your closet?

That clothing can be used to provide food for the hungry and shelter for the homeless. Lutheran Social Services will take your clean men's and women's fine clothing and accessories in good condition and sell them. All proceeds will support the programs and services of LSS.

On average:

- a suit will feed the average family three meals a day for three days at our food pantries
- a small group of women's blouses will provide seven meals and care at our homeless shelter

Please limit your donations to clean men's and women's fine clothing and accessories in good condition. Suggested brands include Ralph Lauren, Brooks Brothers, Tommy Hilfiger, Calvin Klein, Jones New York, Ann Taylor, Coach, Louis Vuitton and Talbots.
